It takes a village—use your support system

Think about who you know in every aspect of your life:
People who may support you or connect you to others

Friends:

Networks:

Family:

Community:

Colleagues:
"Identify Your Support System"

- What is your skillset?
- Where do you have gaps?
- Utilize friends and family
- Evaluate areas where you may need additional help
“Social Media”

- Identify best platforms
- Get the word out
- Ask friends and family to help
Networking

- Get comfortable being uncomfortable
- Attend events related to your industry or mission
- Ask friends and family for referrals
- Ask similar business owners for their advice
