Main Street—a mixed-income, mixed-use development located in Rockville—was founded on the principles of affordability, inclusivity and sustainability. This vibrant community fosters a culture of inclusion that provides countless opportunities for learning, social engagement, health and wellness and connectivity for everyone—regardless of ability!

While housed in their flagship building in Rockville, Maryland, Main Street is so much more than a physical building. Main Street is a MOVEMENT of hope and equality—a movement that provides opportunities for all individuals to LIVE, LEARN, WORK, PLAY—and most importantly—THRIVE!
