CONSULTING
with MAIN STREET

Main Street Connect opened its doors in 2020 as the first community-oriented, affordable, accessible housing solution to redefine the concept of inclusion in a large, vibrant community space within the apartment complex itself. Created on the founding principles of **affordability, inclusivity and sustainability**, our vibrant community offers continued learning, social engagement and health and wellness.

We aim to become the leading voice for what inclusion can look like in a greater community. We aim to make inclusion the norm.
