Main Street's programs and spaces are designed around the beliefs that everyone deserves the opportunity to participate and belong. Our vision is to create a world where people of all abilities thrive together and are included, feel connected, and have abundant choices and opportunities.

WHY PICKLEBALL & MAIN STREET

Pickleball is a sport where everyone can play regardless of ability. It's about bringing people together and creating community. Main Street Connect is a community where everyone belongs. That's why Pickleball and Main Street are a natural match! Both are about:

1. Bringing people together
2. Everyone can participate
3. Creating a community where everyone has a place!

WHY SPONSOR

You will be supporting far more than just a day of competition on the courts. Your partnership with the "All In for Inclusion" Pickleball Fest & Tournament will help support Main Street Connect's mission. - Friday Vibes, one of our mainstay programs that so many members call the highlight of their week!
